

Campaign 2010 Kickoff
Thursday, March 25
5:00-6:30 pm
Chamber of Commerce

OUR GOAL:

Join us in generating \$325,000 during Campaign 2010, the Chamber's 6-week sustainable resource development campaign chaired by New Hanover Regional Medical Center President & CEO Jack Barto. Volunteers like you make it possible for us to sustain and implement innovative programs for business development, community enrichment, and member services.

Be one of 100+ individuals who participate and gain exposure to more than 40 participating companies in the Greater Wilmington area. It is an ideal way for leaders like you to grow professionally, expand your business and community contacts, and to help enhance the Chamber's position as a strong voice for the business community.

Campaign leaders are sensitive to your professional and personal time demands. As such, we have formatted the Campaign to provide you with flexibility and the ability to work around your own schedule. Additionally, Chamber staff will help you get acquainted with the tools you'll need to be successful through orientation, training, sales leads, and great event opportunities. The Campaign kickoff is scheduled for March 25 at 5:30 pm at the Chamber.
